

CLARKDALE FAMILY FINED FOR HOARDING

PHOENIX, Oct. 30.—As the outcome of the first case of household hoarding to come to the attention of the enforcement division of the food administration, George Gilbert of Clarkdale has been permitted to contribute \$25 to the Red Cross, and a sack of sugar to war charities.

On September 7, Gilbert, intending to move to Prescott, made a shipment of household goods to the latter point. The goods were packed in boxes and a suspicion was aroused that one of them contained a sack of sugar and a sack of flour.

Acting upon information furnished by E. W. Carroll, deputy county food administrator at Jerome, County Food Administrator H. D. Altken ordered the goods held and examined. The examination disclosed a 48-pound sack of wheat flour and a sack of granulated sugar weighing 78 pounds net. The presence of the latter was considered evidence of hoarding and this was confirmed by Mrs. Gilbert when she called for the goods.

She explained that she had purchased the sack of sugar from a Chinese store in Phoenix nearly a year ago. This in connection with a detailed record of sugar purchases by the Gilbert family from the T. F. Miller company of Clarkdale, showing regular purchases from January to July inclusive, of this year, conclusively established the charge of hoarding.

When faced with the seriousness of the situation, the Gilberts avowed any intention of wrong doing, and stated their willingness to submit to a voluntary fine. A contribution of \$25 was suggested and this was approved by the federal food administrator. The sugar is held by the food authorities and will be turned over to war charities.

The Portola cafe of Bisbee, following a hearing held before the food administrator of Cochise county has been permitted to contribute \$50 to the Red Cross for repeated violations of the sugar rationing regulations.

The Lowell Cash Store of Lowell will pay \$10 to the Red Cross in acknowledgement of having violated the rules governing the sale of flour and substitutes. A similar amount in a similar case will be contributed by the New State Grocery of Douglas. In these, as well as in other cases, hearings were held before Robert Rae, food administrator for Cochise county.

THREE HIGHWAYS IN STATE WAIT ON WAR

PHOENIX, Oct. 30.—Construction on at least three highways in Arizona must wait until after the war.

Information to this effect was received yesterday by the state highway department from the United States highway council, to which had been sent all information in regard to these highways, the necessity and all other particulars, with the request that permission be granted for their completion.

The highways which the United States highway council decides must wait until after war are the road from Wilcox to Gleson, that from Tombstone to Benson and the county line and the highway from Douglas east a distance of 17 miles.

Permission to proceed was refused on the ground that the materials desired and the transportation facilities needed to put them on the jobs were more urgently needed for war purposes.

The state engineer is now engaged in correspondence with the United States highway council in an effort to secure permission to continue work on the other important highways in the state.

CORRUPT PRACTICE ACT

PHOENIX, Oct. 29.—Immediate operation of the "corrupt practices" act signed by President Wilson less than two weeks ago, is called the attention of officials of the Department of Justice in the state of Arizona today by Attorney General T. W. Gregory. Immediate prosecution is requested of all violations. To influence the vote of any one, for or against any candidate for representative or senator is punishable by a fine of \$1000, imprisonment for one year or both.

NAMES NO ONE ELSE AS SUPREME JUDGE

PHOENIX, Oct. 31.—Following the letter from Judge A. C. Baker declining the appointment to the state supreme bench to fill out the unexpired term of Judge Alfred Franklin, Governor Hunt has named no one else to that honor.

The governor announced yesterday that he did not expect to name anyone as supreme court judge within the next few days and gave the impression that he had no one in mind.

Should Governor Hunt appoint a man to that office who would accept, it would be more a matter of honor than for any assistance the new judge could do to the supreme court in the brief time before the man who is to be elected next Tuesday takes his place on the supreme bench.

MAN FOUND DEAD LEAVES \$50,000 TO TWO WOMEN NOW LIVING IN GERMANY

YUMA, Oct. 29.—Bernard G. Johnson has been found dead on his date farm below Yuma. According to the jury it is said that the death was from unknown causes. He left an estate valued at \$50,000, willed to two female relatives in Germany. The estate probably will be turned over to the alien property custodian. Johnson was best known for his large knowledge of date culture, having personally brought to this locality and Imperial valley large numbers of new and valuable date varieties.

BEWARE OF SHREWD BOOK AGENT POSING AS

According to word reaching here from other southwestern cities, there is a book agent working this section of the country under the camouflage of governmental sanction. He is said to be selling a cook book which he claims is issued by the food administration. The price of the "libro" is \$4.75 cash.

Now, the government never authorizes anyone to sell books and it never is allied with book agents; so if this person comes to you with a proposition to buy his "government cook book," ask him to sit down and give you time to make up your mind. Then in some manner, get into touch with the local authorities and let an officer talk to the man. The United States food administration has issued warnings to the housewives of the country to be on the lookout for this sleek and slick individual, and asks that he be turned over to the police. Warnings have been received in Tombstone, and it is very probable that he is working this way.

COUNTERFEIT NOTES ARE IN CIRCULATION

The treasury department has sent out a warning to the merchants and bankers of Cochise county to be on the lookout for a dangerous counterfeit \$100 federal reserve note. Some of them are coming in from Mexico, where they are being distributed by the maker. It is reported.

The description of the counterfeit note, as given out by the officials, is as follows: Federal reserve bank of Dallas, \$100 federal reserve note; Bertha Blake, both of Douglas; Eragette, portrait of Franklin, red seal. The engraving of the portrait is very crude, the face appearing to be covered by a beard, due to the heavy lines, seal improperly put on, the work on the back of the counterfeit having the appearance of cheap lithographing, not on standard paper, and silk not present in the face of the note.

As these counterfeit notes have been found in circulation, the following are the names of the counterfeiters: Ramon Cota to wed Refugia Padra, both of Bisbee; David H. (trav.) to wed Quincy Wilcox, both of Bisbee; Jacinto Videari to wed Louisa Padra, both of Douglas; Joe Martinez to wed Andrea Ruiz, both of Douglas; Jos. L. Jacquin to wed Bertha Blake, both of Douglas; Eragette Angulo to wed Epefania Perez, both of Cananea; Myrel F. Baker to wed Dorothy Allen Pettus, both of Douglas; Geo. P. Moroch to wed V. E. Graff, both of Douglas; Alfredo Padra to wed Concepcion Carmelo, both of Cananea; Thomas E. Simon to wed Gertrude Avilas, both of Douglas; John Allen of Naco to wed Pearl Barnes of Savannah, Ga.; Dan Briley of Douglas to wed Blanche Detlof of Bisbee; Lucas Arriz, Jr., of Douglas to wed Sabado A. Rodriguez of Cananea; Jose Herrera to wed Georgia Flores of Bisbee; Edward L. Canboch to wed Dorothy J. Bennett, both of Douglas; Harry F. Brakfield to wed Nora Baldwin, both of Douglas; C. E. Bandlich to wed Concha Molina, both of Douglas; Rafael Marcano to wed Comusio Pineda, both of Douglas.

BARRELS ON WAY TO HOLD CARGO OF WHISKEY

Yesterday United States Marshal Joseph Dillon of Phoenix telephoned to Sheriff Guy C. Welch that empty whiskey barrels had been shipped to this city from Los Angeles and that when they arrived here federal officers would take the whiskey stored at the city jail and pour it into the barrels. The whiskey then will be shipped to Phoenix, from where, with other bootleg whiskey, captured in Arizona, it will be sent east, probably to be redistilled and the alcohol extracted.

It was announced at the sheriff's office that no volunteer workers would be needed for the job of emptying the booze into the barrels, although a

number of local people have made known their willingness to help in the work without pay.

TWO MORE BUILDINGS FOR WHIPPLE BARRACKS; WILL BE SCHOOL FOR MAIMED

PHOENIX, Oct. 31.—Two additional buildings, each about 125 feet in length, have been ordered erected at Whipple Barracks to house a school for the vocational training of maimed men who have lost limbs or eyes.

There is to be especial attention to shop and office work. Lieutenant Cornelius of the sanitary corps, has been named as probable commandant of this school of reconstruction.

BOYD'S BILL BOARD GUAT CATTIE TO THE DADDIES OF DOUGLAS

(Bisbee Review)
Gleeful guffaws from Tombstone; maraudous masterings from Douglas; smirks in Bisbee, for Bisbee being neutral can afford to smile!

Bill Boyd's bill board did it. Not to know Bill Boyd argues ignorance of the attractions of the present county seat for he is the town's leading (and only) druggist, and one of the liveliest of Tombstone's live wires. Bill is as deep as he is cheerful, and he is cheerful all the day. However, in this particular piece of ingenuity it is believed he summoned the aid of the Tombstone board of strategy and planned long and secretly.

Bill was in Douglas the other day and met Jack Hinton, king of the Douglas bill board industry. Bill wore no false whiskers or other camouflage; he simply smiled and his smile was sufficient disguise for his intention.

"Jack, I'd like to rent a good big space on one of your bill boards," said the Tombstone man. "To this Jack, who always is ready for business, responded, 'sure,' most heartily. The price was arranged on and the price was paid and then Boyd sprung his copy. It was not a patent medicine 'ad' as Hinton had thought possible.

Yesterday there appeared in the space reserved by the Tombstone man, the following words:

"Vote NO on county seat removal and save higher taxes."

It was on one of the most prominent corners on G avenue, where none could escape seeing it, and it struck all the Douglasites who favor county seat removal right between the eyes, as it were. So—there were angry mutterings in their ranks, while in Tombstone, Boyd and the remainder of the old county seat's booster gang were that satisfied smile. They feel that they have put over a good one.

MARRIAGE LICENSES

The following marriage licenses were issued last week at the office of Clerk of the Superior Court, J. E. James:

Ramon Cota to wed Refugia Padra, both of Bisbee; David H. (trav.) to wed Quincy Wilcox, both of Bisbee; Jacinto Videari to wed Louisa Padra, both of Douglas; Joe Martinez to wed Andrea Ruiz, both of Douglas; Jos. L. Jacquin to wed Bertha Blake, both of Douglas; Eragette Angulo to wed Epefania Perez, both of Cananea; Myrel F. Baker to wed Dorothy Allen Pettus, both of Douglas; Geo. P. Moroch to wed V. E. Graff, both of Douglas; Alfredo Padra to wed Concepcion Carmelo, both of Cananea; Thomas E. Simon to wed Gertrude Avilas, both of Douglas; John Allen of Naco to wed Pearl Barnes of Savannah, Ga.; Dan Briley of Douglas to wed Blanche Detlof of Bisbee; Lucas Arriz, Jr., of Douglas to wed Sabado A. Rodriguez of Cananea; Jose Herrera to wed Georgia Flores of Bisbee; Edward L. Canboch to wed Dorothy J. Bennett, both of Douglas; Harry F. Brakfield to wed Nora Baldwin, both of Douglas; C. E. Bandlich to wed Concha Molina, both of Douglas; Rafael Marcano to wed Comusio Pineda, both of Douglas.

ARIZONANS COMMISSIONED

WASHINGTON, Oct. 31.—Appointments in the army today included the following from Arizona: Durbin H. Braley of Prescott, captain in the Engineer corps; Maurice W. Kinsman of Inspiration and Joseph L. White of Ocotillo, first lieutenants in the Engineer corps.

AGAINST COUNTY SEAT REMOVAL

BOWIE, Oct. 28.—Judge Lyman H. Hays of Wilcox, one of the best known attorneys of the county, was in Bowie Tuesday, and when asked what he thought about the county seat removal, the judge said: "There is only one thing to do in this matter and that is vote NO. It matters not what we might think about it; it matters not what justice, what right or wrong; now is no time to add more burdens upon our people. The people of Cochise county, are, and have shown themselves 100 per cent American—in all the Liberty Loan drives, in Thrift Stamps, Red Cross and have subscribed to the limit—then to let a few people of Douglas, and it would only be a few) benefit at the expense of all the rest of the people of the county is preposterous, and I trust the patriotism of the voters will show up strongly on election day by an overwhelming NO vote on the proposition."

"Even should the war end tomorrow, the United States will have to maintain her present full force of soldiers in Europe for almost two years, and in addition to feeding Belgium, France and England, we will have to assist in caring for the rest of Europe. The drain on the voters has as yet hardly begun."

Judge Hays advises every voter to register his emphatic NO and thereby save this unwarranted and unnecessary expenditure of something like one million dollars.

CATTLE GOING INTO MEXICO LIABLE FOR INSPECTION

DOUGLAS, Oct. 28.—A letter from the secretary of the Arizona Livestock Commission to the local cattle inspector here brings the information that all cattle going from Cochise county into Mexico are subject to be inspected the same as cattle shipped away to any other point. Some of the cattlemen who have been taking their cattle into Mexico have contended that cattle going into Mexico under bond for their return were not under the inspection law. To clear up this matter W. B. Fonda, inspector, wrote to Secretary Bradner of the state commission, asking for a ruling. The reply is as above stated.

Cook & Johnson of Wilcox, shipped 484 head of cattle from this city during the week to the Los Angeles market. These cattle were purchased in this vicinity from their owners, including Frank P. Moore, L. C. Shattuck, J. T. Hood and others.

USE OF LIQUOR TO CURE INFLUENZA MAY BE MADE STATE WIDE IN ARIZONA

PHOENIX, Oct. 28.—Dr. O. H. Brown, state health officer, announced today that he is conducting some experiments and if he finds that whiskey may be effectively used in combating the epidemic of Spanish influenza in this state he will commandeer the whiskey now being held by law officers throughout the state which has been seized by them as contraband.

Although Arizona has been a "dry" state for nearly four years, it is said that there is more than a sufficient quantity of whiskey being held by the sheriffs to meet the demands of the health authorities.

CUNNINGHAM CHIEF JUSTICE

PHOENIX, Oct. 28.—Through the resignation of Chief Justice Alfred Franklin, Judge Cunningham automatically becomes chief justice of the supreme court.

Close associates of Judge Baker are of the opinion that he will not accept the appointment of Governor Hunt to become a member of the supreme court before January 1, 1919.

Judge Franklin is in Washington and has not been in the city since word of his appointment as collector of internal revenue.

DARING ARIZONA AVIATOR MISSING AFTER BIG RAID

WITH THE ARMY NORTHWEST OF VERDUN, Oct. 29.—Lieut. Frank Luke of Phoenix, Ariz., one of the most daring of the American aviators, has been missing since the night of October 20. On that night he started out on a bombing expedition, and so far has failed to return.
